

Please answer these questions on the **back of the mark-sense form**, *not* on the yellow comment sheets. Use the choices A to G to indicate agreement or disagreement with these statements, on a scale on which A is “strongly agree” and G is “strongly disagree”.

1. The textbook was good.
2. The course should have had less coverage of theory and more data examples.
3. Having the lecture projections available online was helpful to me.
4. Having the audio recordings of the lectures available online was helpful to me.
5. The computer homeworks were helpful.
6. There should have been more computer exercises.
7. The computer exercises should have been done in a computer lab with all of us present and one unified set of software.
