

Questions to answer on back of mark-sense sheet

On the back of the mark-sense sheet, not on the yellow comment sheets answer the following questions. Use a scale of A-G with A meaning “strongly agree” and G meaning “strongly disagree”:

1. The textbook was good.
2. The homeworks were helpful.
3. Ken Karol’s lecture was good.
4. Mary Kuhner’s lecture was good.
5. It would have been helpful to spend more time showing examples of data sets and their analysis rather than discussing theoretical properties of methods.
6. Joe should have relied less on the projections and spoken more informally.
